Dear parent/guardian,

I wish to inform you that we have a system called VSware in place where parent(s) / guardian(s) can access their students timetable, behaviour and reports on-line. In order to gain access to the system you should log onto: <http://sjsb.vsware.ie>

You will then be prompted to enter your login and create a password.

The log in details are available from the school secretary. Please contact Zena from September 1<sup>st</sup> to get your details.

When you have entered your log in details click sign in.
